

MHS Community Council Meeting Minutes Nov 28, 2023

Council Members Attending: Andrea Brookes, Raelene Blocker, Jeff Kelsey, Shana Croft, Cindy Flitton, George Tripp, Brennen Fuller, Michael Ard, Mindy Savage, Luke Thomas

Agenda Items:

1) Approval of minutes

2) Review rules of order:

Andrea suggested to add the minutes and training to the CC website. Also state that Members of public need to be on the agenda if they want to speak in the CC meeting

3) Library book review

Luke Thomas suggested he could obtain the library books from the librarian with a review rating then sends the book to the community council to review. All agreed that their needs to be a district-wide policy put into place for book reviews. Luke Thomas said he will discuss the process in the next principal meeting. Teachers would like more focus on curricula books (the process takes too long).

4) Review TSSA and Trustlands Plan

Composite ACT score went up. Aspire plus 9th and 10th grades scores went down (internet problems). Luke Thomas went over funding. Currently we pay for two salaries: Rebecca Fenton (study skills) and Karla Sandal (scholarship). Weber State will be paying half of her salary which frees up \$24,000...we need to amend the plan. Professional development needs more funding.

Trustlands is paying for Anna Phelps full-time salary as an English teacher. It also pays for part-time math (Jodie Larsen), Orchestra (Judy Cordero), IT (Cameron Clawson).

5) Digital Citizenship and School Safety Reports and committee reports were motioned and passed to be postponed for the next meeting (Dec 19, 2023)

Meeting adjourned.
